

**Senior faculty of Medical Science,
Paramedical Science &
Hospital Administration.**

Dr. Kaushik Sinha

BAMS ; M.Sc ; Ph.D (Medicine)

Professional Summary

Accomplished Educator and **Medical Professional** with **over 18 years of academic experience**, combining a passion for teaching with a background in medicine. Proven expertise in developing and delivering comprehensive, curriculum-aligned lesson plans for both in-person and virtual learning environments. Demonstrated ability to effectively manage and engage diverse classroom sizes, ranging from small groups (10–20 students) to large cohorts (50–150 students). Adept at fostering academic excellence through individualized student support and meticulous preparation of instructional materials..

Specializes in Anatomy, Physiology, Biostatistics, Medical Terminology, Digital Health, Pathology, Pharmacology, Immunology, Onco-histology & Medicine classes.

Highlights

- Certified Medical Educator – Certification by **N M C**
(National Medical Commission - formerly The, MCI (Medical Council of India))
- Certified Medical Researcher – Certification jointly, by **I C M R**
(Indian Council of Medical Research) & **NIE** (National Institute of Epidemiology)
- Can conduct both **ONLINE** & **Offline Classes**
- Can conduct **Webinar** (Virtual Seminar) on almost every common platform
(Teleconference + Videoconference platforms such as Skype, Zoom, Webex, Teamlink etc.)
- Can successfully handle small and large classes.
- **Adequately computer and Internet literate**
- Excellent communication and student service skills
- Dedicated to providing the most comprehensive and accessible classes possible.
- Exceptional analytical and problem-solving skills
- Reliable teacher who is always there for students.
- **Proficient in both English and Bengali Language, can speak Hindi too.**

Academic Experience:

Total **17 years & 11 months** in various Medical ,Paramedical & Management colleges under

West Bengal University of Health Science (WBUHS),

Maulana Abul Kalam Aad University of Technology (MAKAUT) [erstwhile. WBUT] ,

Kalyani University (K.U) ,

West Bengal State University (WBSU) &

Swami Vivekananda University (SVU)

Industry (Health care) Experience:

Over 19 years of comprehensive clinical experience, including affiliations with various hospitals and nursing homes, alongside the successful management of a private medical practice.

Academic Experience Summary (Total Duration: 18 Years)

College / University	Departments	Subjects
Advanced Institute of Modern Management & Technology	Hospital Management	Medical Terminology, Medical Record Science, Epidemiology, Biostatistics, Medical Ethics
Techno India	Hospital Management	Hospitals & Health System, Medical Record Science, Medical Ethics
Techno India	Optometry	Ocular Physiology, Community Optometry
K.R.Adhikay College of Optometry & Paramedical Technology	Optometry, Medical Laboratory Technology (MLT), Medical Radiography & Imaging Technology (MRIT), Physiotherapy (PT), Electrocardiography Technology (ECHT) Electroencephalography (EEGT), Dental Technology & Oral Hygiene (DTOH) Operation Theatre Technology (OTT) Critical Care Technology (CCT)	Human Anatomy and Physiology, Biochemistry, Pathology,Hematology, Exercise Therapy,Histopathology, Cardiac Anatomy, Neuroanatomy, Neurophysiology, Pharmacology, Microbiology, Electrophysiology, Oncology, Medical Parasitology & Entomology, Anesthesiology, Serology ENT,Ophthalmology, Radiology, Dental Anatomy,Immunology, Surgery,
George College	Hospital Management	Medical Terminology, Epidemiology
George College	Sports Management	Sports Medicine , First Aid & CPR , Sports Nutrition
George College	Medical Laboratory Technology	Anatomy & Physiology Pathology , Hematology Biochemistry , Microbiology
George College of Management & Science	Hospital Management	Medical Record Science, Epidemiology, Hospital Operations Management

George College of Management & Science	Optometry	General Anatomy, Ocular Anatomy , Ocular Physiology, Pharmacology, Systemic Conditions and the Eye, Ocular Disease
Gandhi Institute of Management & Technology	Hospital Management	Medical Terminology, Epidemiology, Occupational Health, Medical Ethics, Medical Record Science, Medical Law
Eminent College of Management & Technology (ECMT)	Hospital Management	Medical Terminology, Occupational Health, Medical Ethics, Medical Law, Medical Record Science, Epidemiology
Eminent College of Management & Technology (ECMT)	Medical Laboratory Technology, Optometry	Pathology , Hematology, Biochemistry , Ocular Anatomy, Pharmacology, Ocular Disease, Ocular Physiology,
Eminent College of Pharmaceutical Technology (ECPT)	Pharmacy	Human Anatomy and Physiology, Biochemistry, Pathophysiology , Biostatistics & Research Methodology
Nopany Institute of Management Studies (NIMS)	Hospital Management	Medical Terminology, Public Health & Healthcare Planning, Support, Utility & Clinical Services, Hospital Operations Management, Concepts of Digital Health
Nopany Institute of Healthcare Studies (NIHS)	Physiotherapy	Human Anatomy and Physiology, Biochemistry, Pathology , Biostatistics & Research Methodology
Kingston Educational Institute (KEI)	Hospital Management, Medical Laboratory Technology	Medical Ethics, Medical Law Medical Terminology
Kingston College of Science (KCS)	Food & Nutrition,	Nutrients Metabolism, Biochemistry, Community Nutrition, Diet Therapy
Kingston College of Science (KCS)	Dialysis Technology (DT) , Sanitary Inspection (SI)	Renal Anatomy & Physiology, Dialyzer; Health Education, Public Health, BWM
Bholananda National Academy (BNA)	Hospital Management	Medical Terminology, Basic Healthcare Analytics
Swami Vivekananda University (SVU)	Hospital Management	Medical Terminology, Health Insurance , Medical Tourism, Medical Record Science, Hospital Equipment Management, Health Services & its Application, Patient Care Management
JMN Medical College & Hospital	Anatomy	Gross Anatomy, Histology, Microscopic Anatomy, Systemic Anatomy, Sectional Anatomy, Radiographic Anatomy, Embryology, Neuroanatomy

Additional Online Teaching Experience

Tutoring Organization	Designation/Position	Subjects	Duration
Chegg India Pvt. Ltd.	Managed Network Expert	Biology, Cell Biology Anatomy & Physiology, Biochemistry, Immunology, Nutrition	20 th July, 2020 - Present
TRANSTUTORS	TUTOR	Biology, Statistics	23 rd July - Present

Upcoming Academic Undertakings

- 1) **Authoring a debut publication** tailored for students of Hospital Administration and Management, focusing on *Medical Science and its Terminology*, with the aim of bridging foundational scientific concepts with administrative applications in healthcare.
- 2) **Production and recording of an educational video series**—a first-time initiative—designed for undergraduate students across India, covering key topics in *Microbiology* and *Biochemistry* across various sub-disciplines of the Biological Sciences.

Professional Education

Conferred Academic Qualification	Degree-Granting University	Year of Completion	Performance
Bachelor of Ayurveda Medicine & Surgery (B.A.M.S)	University of Calcutta	2007	66 %
MSc. Medicine (Medical Physiology)	Sikkim Manipal Institute of Medical Science (SMIMS)	2015	72.5 %
MSc. Medicine (Medical Anatomy)		2019	74.58 %
Ph.D Medicine (Medical Anatomy)	Sikkim Manipal University (SMU)	Doctor of Philosophy (Clinical Neuroanatomy)	

Basic Education

B.Sc. (Biological Science) –*Graduation*; **Class XII** -- CBSE **Class X** –ICSE
