EDUCATIONAL EXPERIENCE

I am a MCA graduate with a solid foundation in C,C#, Java, Python, HTML, and CSS, backed by practical experience in web development. I have successfully completed two notable web development projects, showcasing my proficiency in creating responsive and user-friendly websites. These projects involved utilizing a diverse range of programming languages and technologies to deliver robust solutions. My hands-on experience has strengthened my skills in problem-solving, teamwork, and delivering projects within deadlines, emphasizing my commitment to producing high-quality work in web development.

PROFESSIONAL EXPERIENCE

AI & Robotics Teacher

REPL,St. Thomas' Girls' School,Kidderpore

[August/2024] – [July/2025]
