## EDUCATION

---

|                                                                                                  |                                     |
|--------------------------------------------------------------------------------------------------|-------------------------------------|
| <b>Maulana Abul Kalam Azad University of Technology</b><br><i>Master of Computer Application</i> | July 2025<br><i>CGPA: 7.77/10.0</i> |
| <b>Kanchrapara College</b><br><i>BSc. in Computer Science</i>                                    | July 2023<br><i>CGPA: 8.73/10.0</i> |
| <b>Chakdah Purbachal Vidyapith</b><br><i>Higher Secondary (WBCHSE)</i>                           | 2020<br><i>Percentage: 66.8%</i>    |
| <b>Chakdah Purbachal Vidyapith</b><br><i>Madhyamik (WBBSE)</i>                                   | 2018<br><i>Percentage: 74.4%</i>    |

## COURSEWORK

**Courses:** C, C++, Digital System Design, Database Management System, Operating System, Networking, Theory of Computation, Digital Image Processing, Natural Language Processing, Software Engineering, Discrete Structure

## SKILLS

---

**Languages:** C, C++, Data Structure and Algorithms, Python, Object-Oriented Programming  
**Tools:** IntelliJ, PyCharm, DevC++, Oracle

## PROJECTS

---

|                          |                               |
|--------------------------|-------------------------------|
| Deepfake Image Detection | Python, OpenCV, Deep Learning |
| Face Recognition         | Python, OpenCV, TensorFlow    |

## HOBBY

---

**Watching Football, Sleeping, Bike Riding**
