PROFILE

VFX professional and educator with 10+ years of teaching experience and 5 years of industry expertise across animation and post-production studios. Skilled in bridging academic learning with real-world production workflows, with a strong focus on compositing, motion graphics, and visual storytelling. Currently exploring AI-driven content creation and digital storytelling, creating short-form mythology-based videos for online platforms, aligning with evolving industry trends and audience behaviour.

PROFESSIONAL EXPERIENCE

• Swami Vivekananda University / Assistant Professor

August, 2026 - Till Now | Location - Barrackpore-Barasat Road, Bara Kanthalia, West Bengal 700121

Joined as an Assistant Professor, primarily teaching VFX and Motion Graphics to undergraduate students.

Conducting practical and theory classes focused on VFX production, compositing, motion graphics, and creative workflows.

• iLEAD, Kolkata / Asst. Professor

March, 2023 - August, 2026 | Location - 113 J Matheswartola Road, Topsia, Kolkata

Teaching advanced VFX, compositing, and motion graphics to undergraduate students, while designing and delivering industry-oriented curriculum and practical workshops. Guiding students through project-based learning aligned with real-world production pipelines, and mentoring them in creative development, technical execution, and portfolio building to prepare them for professional careers in the animation and VFX industry.

• Orion Edutech / Team Leader - Content Digitization

October, 2019 - February, 2020 | Location - Chinar Park, Kolkata

Led the motion graphics animation team, overseeing the production of high-quality educational content. Managed the shooting and post-production of educational videos, ensuring clarity and engagement in the learning material.

Coordinated the creation of e-learning videos, integrating animation and motion graphics to enhance the educational experience.

• Arena Animation Chowringhee, Shyambazar & Barasat / VFX Compositing Faculty

August, 2014 - October, 2019 & February, 2020 - March, 2023 | Location - 60A Chowringhee, Kolkata

Delivered comprehensive VFX training to students, covering topics like compositing, motion graphics, and visual effects production pipelines. Tailored course material to meet the specific learning needs of each franchise, ensuring consistent quality of education. Worked as a VFX Faculty at three different Arena Animation franchises, providing specialized training in VFX. Also served as a visiting faculty at Georges Animatrix and HiTech Animation, conducting advanced workshops.

• Cherrypix Movies Private Ltd. / Asst. Editor

March, 2014 - August, 2014 | Location - Prince Anwar Shah Road, Kolkata

I have joined the company as an assistant Editor. I worked here for a few months. I assist in editing in a couple of bengali movies.

• Axis Three Dee Studios / 3d Compositor

February, 2011 - March, 2014 | Location - E-48, Sammilani Park, Kolkata

I have joined the company as a 3d compositing artist. I have worked on some 3d projects in this company.

• DIGITAL CONTENT CREATION & AI WORK

Content Creator & AI Video Producer | YouTube (Golpo Dadu)

Created short-form storytelling content based on Indian mythology, history, and cultural narratives. Produced AI-assisted animated videos using modern creative tools. Developed scripts, voiceovers, and engaging visual storytelling formats. Applied audience retention strategies, hook design, and content optimization techniques
