School-wise Placement Comparison

The chart below shows what share of each school's passed-out students were placed, proceeded to higher studies, or remained unplaced, as a percentage of that school's total passed students.

The School of Engineering accounts for 1,345 graduates — 59.6% of the batch — and therefore sets much of the university-level result. Four of the six schools sit within a three-point band: Management leads at 93.2%, followed by Engineering (92.8%), Allied Health Science (91.2%) and Agriculture (90.2%). Life Science trails at 84.1%. The School of Humanities & Social Science placed 9 of its 18 graduates (50.0%), but with so small a cohort that figure turns on a handful of individual outcomes and should not be read as a trend.

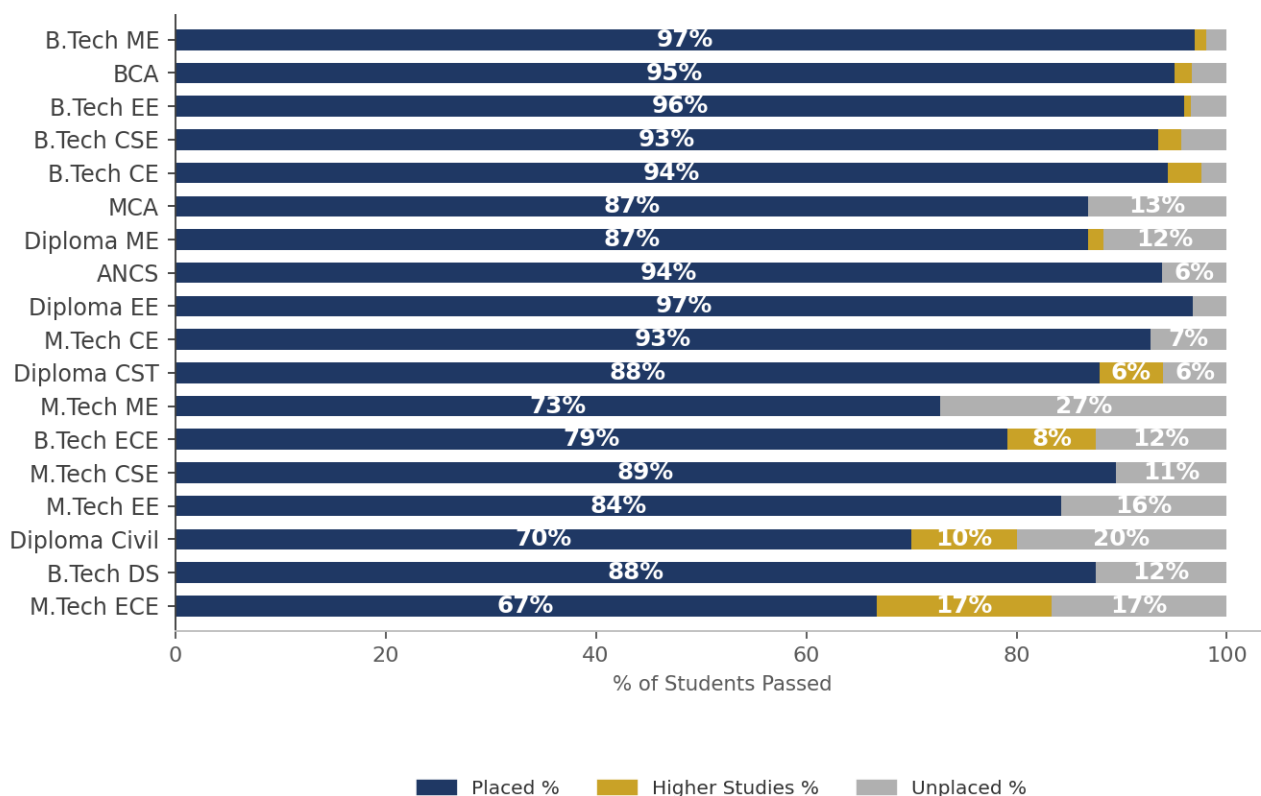

School-wise Outcome Distribution (% of Students Passed)

School	Passed	Placed	Higher Studies	Unplaced	Placed %	Success %
Engineering	1,345	1,248	21	76	92.8	94.3
Agriculture	82	74	3	5	90.2	93.9
Management	483	450	10	23	93.2	95.2
Humanities & Social Science	18	9	3	6	50.0	66.7
Life Science	88	74	2	12	84.1	86.4
Allied Health Science	239	218	2	19	91.2	92.1
All Schools	2,255	2,073	41	141	91.9	93.7

M.Tech ECE	6	4	1	1	66.7	83.3
All programmes	1,345	1,248	21	76	92.8	94.3

B.Tech ME is the strongest large programme in the university, placing 252 of 260 students (96.9%). Electrical Engineering is the strongest department at 95.3%, and Civil Engineering reaches a 95.3% success rate once progression is counted. The weakest results sit in the postgraduate and diploma streams: M.Tech ME placed 72.7% and holds 9 of the school's 76 unplaced students, while B.Tech ECE placed 79.2%, lifting to 87.5% with higher studies.

Department-wise Performance

Seventeen departments contributed to the 2024-25 batch. Medical Laboratory Technology records the highest placement rate overall at 95.6%, with Electrical Engineering just behind at 95.3% — the strongest result among the large departments. Ten of the seventeen departments cleared 90%.

Department-wise summary, grouped by school

Programme Highlights

Placements are concentrated in a small number of large programmes: the ten shown below account for 1,388 placements, or 67.0% of the university total. B.Tech Mechanical Engineering contributes the largest absolute number at 252, followed by BCA (171) and B.Tech Electrical Engineering (167).

Top Ten Programmes by Number of Placements

Strongest placement rates (cohorts of 20 or more)

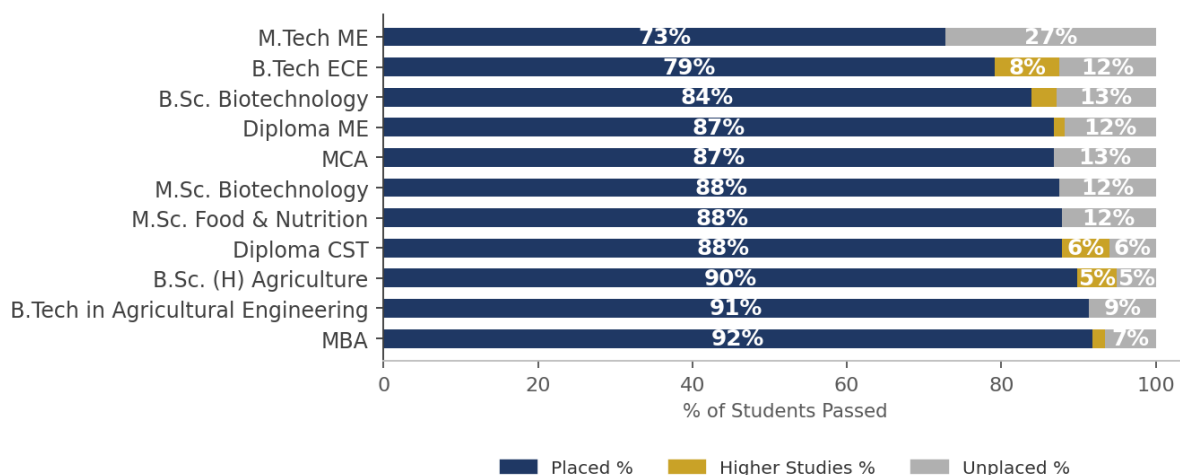

- B.Tech ME — 252 of 260 placed (96.9%), the strongest large cohort in the university.
- Diploma EE — 59 of 61 placed (96.7%).
- B.Tech EE — 167 of 174 placed (96.0%).
- BMLT — 109 of 114 placed (95.6%); B.Optomety — 26 of 28 placed (92.9%).
- BBA(HM) — 153 of 161 placed (95.0%); BCA — 171 of 180 placed (95.0%).

- B.Tech CE — 118 of 125 placed (94.4%), rising to 97.6% once higher studies are counted.

Areas for Attention

Eleven programmes with cohorts of 20 or more finished below the university placement average of 91.9%, and between them they hold 52 of the 141 unplaced students. The spread is narrow — most sit in the eighties rather than far adrift.

Programmes Below the University Placement Average (cohorts of 20+)

Unplaced students are spread more thinly than the placement rates alone suggest. The largest single concentrations are MCA and M.Tech ME with 9 each, followed by Diploma ME with 8 — together 26 of the 141 unplaced students, or 18.4%. No programme holds more than 6.4% of the university's unplaced total, so improvement will come from many small gains rather than one or two large ones.
