## REPORT ON FREE EYE CAMP ORGANIZED BY THE DEPARTMENT OF OPTOMETRY

**Event Title: Free Eye Camp**

**Date: 18th February 2026**

**Venue: Tathagata Ashram, Charkanchrapara, Kalyani (Near Sahidpally Bazar), Nadia 741235**

**Organized by: Department of Optometry, Swami Vivekananda University**

**Collaborating Institution: Progressive College of Art & Education**

### 1. Event Overview

The Department of Optometry, Swami Vivekananda University, successfully organized a Free Eye Camp on 18th February 2026. The camp, held in collaboration with Progressive College of Art & Education, aimed to provide free eye care services, including vision screenings and consultations, to the local community. The camp also worked towards promoting awareness about eye health.

### 2. Faculty Involved

The camp was conducted with the active involvement of the following esteemed faculty members from the Department of Optometry:

Dr. Prabirendra Nath Sinha: Senior Optometry Expert

Ms. Srimanti Sarkar: Optometry Faculty, Specialist in Eye Care

Mr. Sourav Karmakar: Optometry Faculty, Specialist in Vision Therapy

### 3. Objectives of the Camp

To provide free eye care services to the local community, focusing on vision screening and early detection of eye issues.

To promote the importance of regular eye check-ups and preventive eye care.

To offer consultations and referrals for those needing specialized treatment or surgery.

To educate the public on maintaining healthy vision and preventing common eye diseases.

#### 4. Camp Activities

**Free Vision Screening:** All participants underwent basic vision tests to detect refractive errors and other common eye conditions.

**Consultations:** Attendees received consultations on eye health, and professional guidance was provided to those requiring corrective lenses or specialized treatment.

**Educational Sessions:** Short sessions were conducted to raise awareness about common eye diseases and the importance of eye care.

**Referrals:** Individuals requiring further care were referred to specialized clinics for advanced treatment.

#### 5. Target Audience

The camp was open to all individuals, with particular emphasis on serving the underserved community in the Kalyani region. Local residents, including students and elderly individuals, benefited greatly from the services offered during the camp.

#### 6. Conclusion

The Free Eye Camp organized by the Department of Optometry was a resounding success, positively impacting the local community by providing free eye care services and raising awareness about the importance of eye health. The event was made possible by the dedicated efforts of the faculty members, volunteers, and collaborators.

The Department of Optometry expresses its gratitude to the attendees, volunteers, and Progressive College of Art & Education for their support in making this initiative successful.

We are thankful to Dr. Nandan Gupta sir, Chancellor, Swami Vivekananda University for his immense support; Prof. (Dr.) Subrata Kumar Dey sir, Vice Chancellor, Swami Vivekananda University for making us reach new heights; Prof. (Dr.) Pinak Pani Nath Sir, Registrar, Swami Vivekananda University for guiding us and Mr. Saurabh Adhikari sir, Chief Operating Officer, Swami Vivekananda University being with us since the beginning.
