Eye & Health Check-up Camp  
Students' Observation Week, 2023  
January 5th

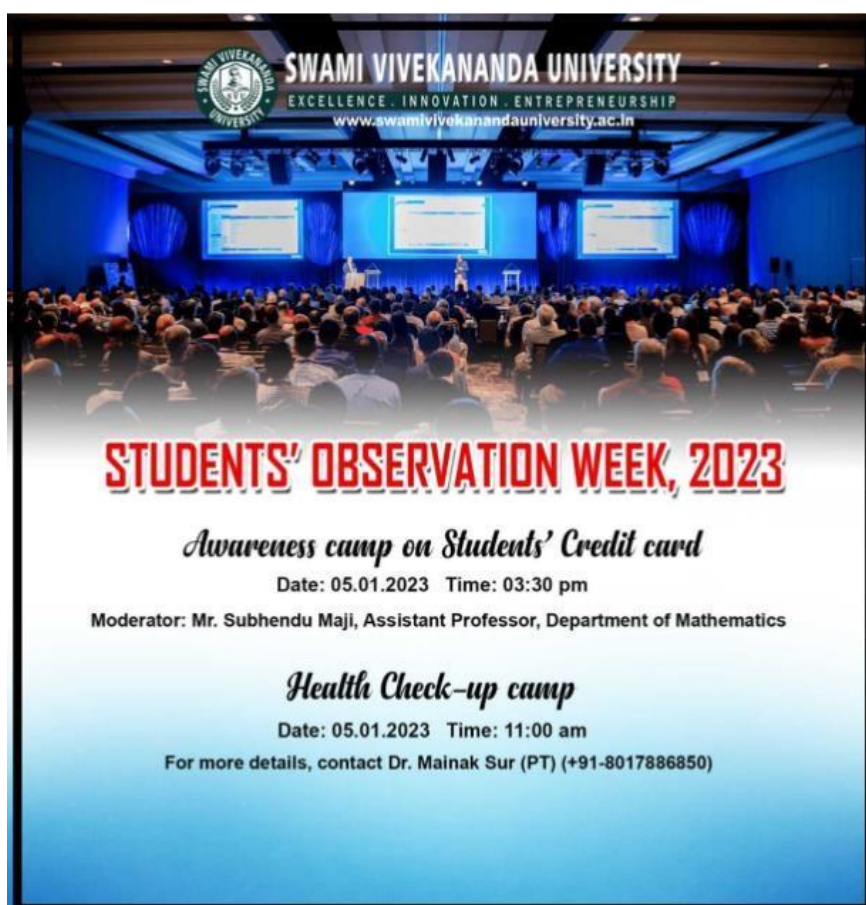

Organized by  
School of Allied Health Sciences

"Those who serve others serve the Lord in the true sense" - Swami Vivekananda

Moving forward with that message in mind, Swami Vivekananda University, Barrackpore has organised a one-day health check-up camp on 5<sup>th</sup> January 2023 to celebrate the Students' Observation Week.

A health check-up camp is having the objective to screen the individuals under a single roof providing health related awareness in a community. As we know that, the students can play an important role in improving and strengthening the society, thus, regiment of a health check-up camp in educational institution is very much meaningful in view of various health awareness programs. The vision and mission of Allied Health Science departments of Swami Vivekananda University are to focus on the interface between human being and nutrition to discuss about the nutritional status of a community, to focus on the identification of pain and movement related issues, to inspect any type of visual impairment, or to examine any other physical or physiological issues.

A total of 52 individuals were registered in this health check-up camp among which most of the individuals were the students of our University. Four different departments involved to conduct this Health Check-up Camp: Department of Food and Nutrition, Department of Physiotherapy, Department of BMLT, and Department of Optometry; jointly they were busy to measure various parameters like: eye health, power check up, individuals' healthy eating habits, level of physical activity, height, body weight, BMI, waist circumference, Hip circumference, heart rate, respiratory rate, blood pressure, blood grouping, etc., in addition with few mental health

related parameters as well as female health related parameters to observe overall health status of the participants.
