Eye & Health Check-up Camp

In Health Week, 11th February

2023

Organized by

School of Allied Health Sciences

“Those who serve others serve the Lord in the true sense” - Swami Vivekananda

Moving forward with that message in mind, Swami Vivekananda University, Barrackpore has organised a one-day health check-up camp on 11th February 2023 to celebrate the Health Week.

A health check-up camp is having the objective to screen the individuals under a single roof providing health related awareness in a community. As we know that, the students can play an important role in improving and strengthening the society, thus, regiment of a health check-up camp in educational institution is very much meaningful in view of various health awareness programs. The vision and mission of Allied Health Science departments of Swami Vivekananda University are to focus on the interface between human being and nutrition to discuss about the nutritional status of a community, to focus on the identification of pain and movement related issues, to inspect any type of visual impairment, or to examine any other physical or physiological issues.

To fulfil our novel aim on 11th February 2023 a free eye and health check up camp was organized at University campus. A total of 96 individual of school students and our University students were registered for the eye check up. In this camp detailed eye examination was done including, vision check up, eye power check up, retina check up, overall eye health check up was done, refractive correction for distance were prescribed. Total of 15 students and 3 faculties had participated in the camp. It was a great success with a very satisfactory response from the participated patients.
