Eye Check-up Camp

Students' Observation,

14th May, 2022

Organized by

School of Allied Health Sciences

Department of Optometry

Swami Vivekananda University, Barrackporehas organized a one-day eye check-up camp on 14th May 2022 to celebrate student's observation and participation in social service.

The eye check-up camp was having the objective to screen the individuals for visual impairment and to create eye health related awareness in a community. As we know that, the students can play an important role in improving and strengthening the society, thus, regiment of a health and eye check-up camps in educational institution is very much meaningful in view of various health awareness programs. The vision and mission of Allied Health Science departments of Swami Vivekananda University are to focus on the interface between human being and nutrition to discuss about the nutritional status of a community, to focus on the identification of pain and movement related issues, to inspect any type of visual impairment, or to examine any other physical or physiological issues.

To fulfil our novel aim on 14th May 2022 we have organized the free eye check up camp and spectacle distribution at Madhyamgram. A total of 158 individuals mainly local people were registered in this eye check-up camp. Detailed eye examination was done including, vision check up, eye power check up , retina check up, overall eye health check up was done, refractive correction for distance and near were prescribed and cataract patients were diagnosed and properly referred for surgery. Free spectacle distribution was done for the needy underprivileged patients. Total of 10 students and 3 faculties had participated in the camp . It was a great success with a very satisfactory response from the participated patients and the local organizing committee.

Date: 14/05/2022

Location: Madhyamgram
