Eye Check-up Camp

Students' Observation,

17th February, 2023

Organized by

School of Allied Health Sciences

Department of Optometry

Swami Vivekananda University, Barrackpore has organized a one-day eye check-up camp on 17th February 2023 to celebrate student's observation and participation in social service.

The free eye check up camp was having the objective to screen the individuals for visual impairment and to create eye health related awareness in a community. As we know that, the students can play an important role in improving and strengthening the society, thus, regiment of a health and eye check-up camps in educational institution is very much meaningful in view of various health awareness programs. The vision and mission of Allied Health Science departments of Swami Vivekananda University are to focus on the interface between human being and nutrition to discuss about the nutritional status of a community, to focus on the identification of pain and movement related issues, to inspect any type of visual impairment, or to examine any other physical or physiological issues.

To fulfil our novel aim on 20th February 2023 we have organized the free eye and health check up camp at Barrackpore Anandapuri. With increase rate of child vision related problems and myopia among the children, it has become very important aspect to screen the school going children at an age of 4 years and above. In this camp detailed eye examination was done including, vision check up, eye power check up, retina check up, overall eye health check up was done, refractive correction for distance and near were prescribed. A total of 154 students, teachers and parents were registered for the eye check up camp. Total of 8 students and 2 faculties had participated in the camp. It was a great success with a very satisfactory response from the participated patients and the local organizing committee.
