

## Annexure - 27

### Educational Programmes arranged by the University

| Sl. No. | Department  | Programme Type     | Programme Date          | Additional Information if any                                                                              |
|---------|-------------|--------------------|-------------------------|------------------------------------------------------------------------------------------------------------|
| 1       | Agriculture | Industry visits    | 24/12/2022              | Tapan Agro polyhouse, Madhyamgram                                                                          |
| 2       | Agriculture | Industry visits    | 22/04/2022              | BSK Agro Farm, Kajibari, Barasat,                                                                          |
| 3       | Agriculture | Institution Visits | 18/08/2022              | Rice Research Station, Directorate of Agriculture West Bengal                                              |
| 4       | Agriculture | Webinar            | 27/08/2022              | Whisking Success: Unveiling Innovations in Bakery Processing Technology                                    |
| 5       | Agriculture | Webinar            | 19/02/2022              | Unlocking the Secrets of Crop Stress Tolerance: A Deep Dive into Proteomics                                |
| 6       | Agriculture | Webinar            | 03/09/2022              | Navigating the Path to Success: UPSC Civils and Forest Services Exam Guidance                              |
| 7       | Agriculture | Webinar            | 29/01/2022              | The importance of Sugarcane Bio-Refinery: A Sustainable Pathway for Product Diversification and Innovation |
| 8       | Agriculture | Webinar            | 23/04/2022              | Agriculture: The Backbone of Society and Economy – A Vision for Sustainable Development                    |
| 9       | Agriculture | Training           | 23/08/2023 - 25/08/2023 | Three Day Scientific Beekeeping Training Programme                                                         |
| 10      | Agriculture | Training           | 13/09/2023 - 18/09/2023 | Plantation and beautification of Campus and Nursery raising and Management                                 |
| 11      | Agriculture | Training           | 13/07/2023 - 20/07/2023 | Biofloc Fish Farming Training Programme                                                                    |
| 12      | Agriculture | Conference         | 27/02/2023 - 28/02/2023 | International Conference on Technological Innovations in Agriculture, Life Sciences and Food & Nutrition   |
| 13      | Agriculture | Conference         | 28/09/2023 - 30/09/2023 | International Conference on Scientific Advances in Life Sciences, Agriculture and Food & Nutrition         |
| 14      | Agriculture | Conference         | 22/02/2024 - 24/02/2024 | 2 <sup>nd</sup> International Conference on Agriculture, Life Sciences, and Food Science 2024              |

| Sl. No. | Department                   | Programme Type           | Programme Date          | Additional Information if any                                                                                         |
|---------|------------------------------|--------------------------|-------------------------|-----------------------------------------------------------------------------------------------------------------------|
| 15      | Agriculture                  | Conference               | 20/06/2024 - 21/06/2024 | 2nd INTERNATIONAL CONFERENCE ON Scientific Advances In Life Sciences, Agriculture And Food & Nutrition                |
| 16      | Agriculture                  | Conference               | 25/09/2024 - 26/09/2024 | INTERNATIONAL CONFERENCE ON The Future of Sustainable Development: Challenges and Opportunities                       |
| 17      | Agriculture                  | Conference               | 04/02/2025 - 06/02/2025 | INTERNATIONAL CONFERENCE ON Science and Technological Innovations in Agriculture, Life Sciences, and Food & nutrition |
| 18      | Agriculture                  | Training                 | 21/08/2024              | Farmer's kit distribution                                                                                             |
| 19      | Agriculture                  | Field visit              | 24/03/2025              | At Bidhan Chandra Kirishi Viswavidyalaya, Mohanpur, Nadia, West Bengal                                                |
| 20      | Agriculture                  | Workshop                 | 09/04/2025              | On The Future of Agriculture: Hi-tech Solutions for Ongoing Challenges                                                |
| 21      | Biotechnology & Microbiology | WORKSHOP                 | June, 2024              | NA                                                                                                                    |
| 22      | Biotechnology & Microbiology | Webinar                  | June, 2024              | NA                                                                                                                    |
| 23      | Biotechnology & Microbiology | Conference               | 20/06/2024 - 21/06/2024 | NA                                                                                                                    |
| 24      | Biotechnology & Microbiology | Industry visit           | 18/06/2024              | NA                                                                                                                    |
| 25      | Biotechnology & Microbiology | Seminar                  | June, 2024              | NA                                                                                                                    |
| 26      | Biotechnology & Microbiology | Seminar                  | June, 2024              | NA                                                                                                                    |
| 27      | Biotechnology & Microbiology | Industry visit           | July, 2024              | NA                                                                                                                    |
| 28      | Biotechnology & Microbiology | Seminar                  | Sept, 2024              | NA                                                                                                                    |
| 29      | Biotechnology & Microbiology | International Conference | 25/09/2024 - 26/09/2024 | NA                                                                                                                    |
| 30      | Biotechnology & Microbiology | Seminar                  | Oct, 2024               | NA                                                                                                                    |
| 31      | Biotechnology & Microbiology | Seminar                  | Nov, 2024               | NA                                                                                                                    |
| 32      | Biotechnology & Microbiology | WORKSHOP                 | 08/11/2024 - 09/11/2024 | NA                                                                                                                    |
| 33      | Biotechnology & Microbiology | WORKSHOP                 | Nov, 2024               | NA                                                                                                                    |
