Welcome to SWAMI VIVEKANANDA UNIVERSITY

We are an institution in West Bengal dedicated to the pursuit of knowledge and excellence and providing quality education to our students. Since our inception, we have been striving to provide our students with an exceptional learning experience. Our aim is to facilitate and nurture the growth and development of our students and to ensure that they reach their full potential. We offer a range of undergraduate, postgraduate and diploma courses in a variety of subjects. These courses range from Engineering and Management to Humanities and Social Sciences. Our courses are designed to provide students with the skills and expertise required to excel in their chosen fields. Our faculty members are highly experienced and qualified professionals who are committed to providing our students with the best possible education. Our faculty members are experts in their respective fields and are passionate about helping our students develop the knowledge and skills they need to succeed. We strive to create a learning environment where our students can grow and develop in a safe and supportive environment.

MISSION & VISION

MOVE UP: through international alliances and collaborative initiatives to achieve global excellence.

ACCOMPLISH A PROCESS: to advance knowledge in a rigorous academic and research environment.

ATTRACT AND BUILD PEOPLE: in a rewarding and inspiring environment by fostering freedom, empowerment, creativity and innovation.

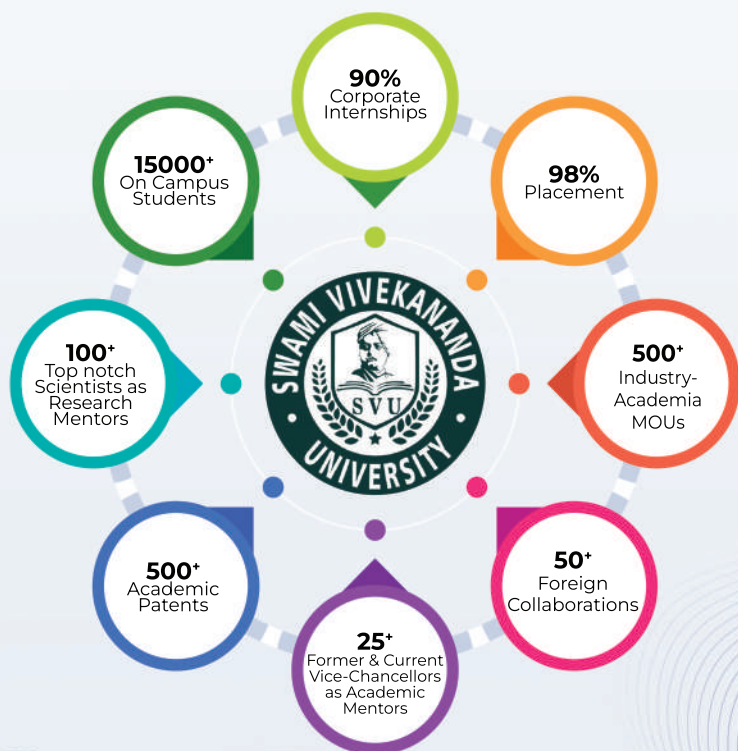

CORE VALUES

- Freedom of thought and expression.
- Freedom from discrimination.
- The encouragement of a questioning spirit.
- Quality and depth of provision across all subjects.
- The close inter-relationship between teaching, scholarship and research.
- Strong support for individual researchers as well as research groups.
- Education which enhances the ability of students to learn throughout life.

? Why SVU

- Earn While You Learn.
- Corporate Paid Internship.
- 24 X 7 E-Learning Support.
- Efficient Mentoring Process.
- New Age Learning Experience.
- SVU Promotes Entrepreneurship.
- Tailor Made Curriculum For Placement.
- 70% Practical & 30% Theoretical Approach.
- Well-Designed Self-Study Learning Material.
- Learner-Centric, Flexible Program Structure.
- Employability Enhancement Training Program.
- A Cluster Of Eminent Corporate And Academic Mentor.
- Regular Course Webinar And Virtual Learning Platform.
- On Campus School Of Foreign Studies And Foreign Languages.

Message from the Chancellor

The world as we know now and as we knew back in 20th century has changed tremendously. The upcoming of life changing technologies and different fields that are now open to academic research and employment has made one thing sure that knowledge will be the key to everything.

We believe that education is not preparation for life. Education is life itself. We believe that, in the professional as well as in the personal life, we have to learn how to educate ourselves, how to develop in the long run and eventually evolve ourselves in a better way. We have to realize that, education alone is not sufficient. So, we train our students to show respect to the society and its individuals. We also teach the students to have high morals, developed personality, enthusiasm for creativity and so on. These are some of the things which are very important in the long run. We realize that, right environment is equally important in making a student learn and grow and so at SVU we aim at creating that right environment for our students by giving them the proper facilities they need to grow.

We also regularly tie up with industries and companies to provide our students with excellent opportunities to work and learn with industry experts. We leave no stone unturned when it comes to providing the state of the art education to our students. As we believe that when our students excel, we excel.

Dr. Nandan Gupta
Chancellor
