ABOUT UNIVERSITY

Swami Vivekananda University (SVU) has emerged as a premier institution in West Bengal since its establishment in 2019 under the Regent Education and Research Foundation (RERF). As part of the esteemed Swami Vivekananda Group of Institutes, SVU offers a wide array of programs spanning science, engineering, technology, management, and more, aligning with Swami Vivekananda's vision of holistic education. SVU's mission is to fuse Eastern values with Western knowledge, emphasizing character-building alongside academic excellence. The university is committed to innovation and entrepreneurship, echoing the aspirations of its Hon'ble Chairman for excellence in education.

Formally recognized by the State Legislature of West Bengal and accredited by the University Grants Commission (UGC), SVU upholds rigorous quality standards through its Internal Quality Assurance Cell (IQAC). Located in Barrackpore, SVU's sprawling 12-acre green campus boasts state-of-the-art facilities, including smart classrooms, well-equipped laboratories, a central library with an extensive collection, and recreational amenities like a gymnasium and swimming pool. With over 2000 students enrolled across various programs and a focus on industry-relevant curriculum, SVU is poised to excel as a center of academic excellence and innovation.

MESSAGE FROM

THE CHANCELLOR'S DESK

The world as we know now and as we knew back in 20th century has changed tremendously. The upcoming of life changing technologies and different fields that are now open to academic research and employment as made one thing sure that knowledge will be the key to everything that has to come and will be highly sought after has it has the power to change anything and everything .

We believe that Education is not preparation for life. Education is life itself.

We believe that in professional as well as personal life that we all have, we have to learn how to educate ourselves always, develop and evolve ourselves in a better way. We have to learn how to be responsible towards the society in which we live and to promote it towards growth.

At SVU , we not only promote the evolution of individual but also the growth of society as a whole. We have to realize that education alone is not sufficient and so we train our students in regions of respect for the society, Having High Morales, Personality Development, Creativity etc. These are some things which are very important in long run.

We realize that right environment is equally important in making a student learn and grow and so at SVU we aim at creating that right environment for students by giving them the proper facilities they need to grow. We also regularly tie up with industries and companies to provide our students with excellent opportunities to work and learn with industry experts.

We leave no stone unturned when it comes to providing the state of the art Education to our students. As we believe that when our students excel we excel.

MESSAGE FROM **THE CHIEF OPERATING OFFICER'S DESK**

It is a great privilege and honour to be a part of the mission to make "Swami Vivekananda University" a name to reckon within the academic fraternity by giving a strong impetus to creating an environment of knowledge, application and holistically inspiring youth to become leaders of tomorrow. I believe that the rigours of the contemporary world will require knowledgeable professionals who could withstand the dynamics of the fast-changing world. It is a great privilege and honour to be a part of the mission to make "Swami Vivekananda University" a name to reckon within the academic fraternity by giving a strong impetus to creating an environment of knowledge, application and holistically inspiring youth to become leaders of tomorrow. I believe that the rigours of the contemporary world will require knowledgeable professionals who could withstand the dynamics of the fast-changing world. Hence "Making a Difference in the Life of Every Student" is the Priority of my administration. We look forward to a deep engagement with Students, Industry, Faculty, and Community to position Andhra university as the national leader in delivering value to its students and offering a transformative educational and life experience.

The COO's office works collaboratively across the University to ensure that every student has the best possible education and experience. In the journey, there will be tough times and there will be easier ones, but we shall work hard with no regrets, and be victorious. The University faculty are here to be the mentors and facilitators to help the students in all round progress. The parents are here to understand the strength and weaknesses of their wards and encourage them, in choosing a study of their passion. The students are here to understand that the rules and regulations in the university are put in a place to help them in achieving dreams.

There must be an aspiration to excel and serve the society, and hence there must be measuring standards. We the faculty and students as a University must excel and set standards to impact society and future generations.

Let's move ahead with a clear line of action to excel in academics, fortify our research initiatives through quality publications, strengthened industry - institute interactions, product development, Start-Up ventures and honestly contributing for the upliftment and growth of people and humanity at large.

Our challenge is to help to generate ideas that will benefit society, and to educate and train people to work in fields where they will be valued both for their knowledge, and for their ability to research, communicate and solve problems. I offer my best wishes to all students, faculty and staff to grow and excel in this challenging and competitive era and reach the pinnacle of success.

MESSAGE FROM

THE VICE CHANCELLOR'S DESK

It is indeed a privilege to be at the forefront of an emerging university, our SVU. It is a matter of pride and satisfaction that ever since the inception in 2020, SVU has been striving for excellence in Higher Education, Research and Extension activities. Gratitude to the guidance of Hon'ble Chancellor and thanks to the efforts of our Colleagues for flourishing the University's Undergraduate, Postgraduate, and Doctoral Programmes in the areas of Engineering, Management, Agriculture, Computer Science, Life Sciences, Allied Health Science, Humanities and Social Sciences.

Our research programs range across all disciplines and total commitment is essential to achieve the goals. As we look to the future, one thing is certain - technology and knowledge will be key resources, most sought after within the country and around the world. Therefore, it is our paramount duty to help generate ideas that will benefit society, and to educate and train people to work in fields where they will be valued for their specialized knowledge. Our acumen to research, communicate and solve issues is to be improved upon from time to time. To meet these challenges, alliances with research institutions, partnership with Government and other agencies are to be undertaken expeditiously. We should leave no stone unturned to ensure the quality of our academic programs and excellence of our teaching, learning and research.

This is the byproduct of dedication and concerted efforts from all corners. In the rapidly evolving society of today, it has become more important than ever for the University to adapt, evolve and be the cornerstone of creating knowledge. The excellence of the University has always come from the individual strengths of our extremely diverse members. With many more miles to go, let us shoulder the responsibility and work together to take this institution to greater heights.

In the words of Helen Keller,

***"Alone we can do so little,
together we can do so much."***

My name is Bikash Mondal, and Swami Vivekananda University has been my guiding light through the myriad challenges of my academic journey. Pursuing a B.Tech in Computer Science and Engineering wasn't a straightforward path. There were moments of struggle, doubt, and self-reflection. Yet, the unwavering support of the faculty and the university's abundant resources kept me on course.

As I approached my final year, the pressure of securing a placement weighed heavily on me. The university's Department of Computer Science and Engineering, along with the Career Development Cell, stood by us like a pillar of strength. Through workshops, seminars, and personalized guidance, they equipped us with the tools and confidence needed to face the competitive job market. With this solid foundation, I ventured into the job market and succeeded, securing a placement with ShipBob with an impressive package of 14.6 LPA.

I owe my success to Swami Vivekananda University – to the mentors who believed in me, the department that cultivated my passion for technology, and the institution that provided a fertile ground for my growth. As I reflect on my journey, my heart is filled with gratitude. Here, I learned to navigate the complexities of life and emerged resilient and empowered. Thank you, Swami Vivekananda University.

Anup Kumar Dey

B.Tech in Mechanical

I'm Anup Kumar Dey, and my journey through Swami Vivekananda University has been one of transformation. Pursuing a B.Tech in Mechanical Engineering was my dream, but the road was filled with challenges.

In the halls of the university, I found mentors in my professors. Their guidance helped me navigate the complexities of Civil Engineering, turning daunting tasks into manageable feats. But the real test came in my final year. As placement season approached, I felt a mix of excitement and anxiety. Would my skills be enough to land a good job? Thanks to the Career Development Cell, I polished my resume and sharpened my interview skills. Their support gave me the confidence I needed.

And then, the moment arrived. Garden Reach Shipbuilders and Engineers LTD offered me a job with an impressive 8.16 LPA package. It was a dream come true, a testament to years of hard work and the support of Swami Vivekananda University. Looking back, I realize that every challenge was a lesson, every setback a stepping stone. Swami Vivekananda University provided not just education, but a nurturing environment that helped me turn my dreams into reality. To my university and everyone who supported me, I extend my heartfelt thanks. You helped me build my future, and for that, I'm forever grateful.

ACHIEVER'S TALK

Anup Maji B.Tech in Civil

Hi there, I'm Anup Maji. My time at Swami Vivekananda University is a story of fighting spirit. Coming from a normal family, doing a B.Tech in Civil Engineering seemed like a tough climb. Money was tight, and I worried if I could even make it.

But then, the university gave me a scholarship, a ray of hope in those dark times. Even with all the difficulties, I never gave up. My teachers were a huge support, always there to push me forward. They believed in me, which really helped. Then came placements, and again, I worried. Would my background hold me back? But the university's training was fantastic. They prepared me well, and I landed a good job at Sinume Automation, with a starting salary of 8 LPA, which is fantastic!

Looking back, all the tough times only made me stronger. Swami Vivekananda University was like a guiding star, showing me that if you set your mind to something, you can do it. I'm so thankful for their support, for turning my worries into success. It just goes to show, if you keep going, your dreams can come true!
