

Publication Details

Department of Civil Engineering:

Name of the Faculty: Ms. Sushmita Ghosh

Designation: Technical Assistant

Department: Civil Engineering

Book Chapters

- **Sushmita Ghosh & Avishek Adhikary. (2025). Arsenic laden drinking water treatment: A review.** In *Recent Advancements in Computational Intelligence and Design Engineering* (pp. 145–160). CRC Press. ISBN: 978-10-3298-036-2. <https://doi.org/10.1201/9781003595745>
- **Sushmita Ghosh & Avishek Adhikary. (2025). Elimination of arsenic and iron from water utilizing constructed soil filters.** In *Interdisciplinary Research in Science and Engineering* (pp. 161–175). Integrated Publications. ISBN: 978-93-5834-191-1. <https://doi.org/10.62778/int.book.478>
