

Report on Sexual Harassment Prevention Week

A programme in accordance with the provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, was organised by Swami Vivekananda University, Barrackpore, on 16.12.2025. Posters were prepared enthusiastically by our students to make each individual and each faculty aware of the prevention of sexual harassment within the institution. The posters were prepared with great care and displayed in prominent places within the university campus after taking proper print. This programme was organized with great responsibility by all members related to different departments.
