

## Report on Sexual Harassment Sensitization Programme

A programme was organised on 17.12.2025 in the campus of Swami Vivekananda University from 11:00 a.m. onwards with the participation of students from various departments. The programme focused on preparing awareness quotes already provided by the university authority, with the help of computers and Photoshop.

The sensitisation programme was organized to create awareness among employees and students about the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (POSH Act). It also aimed to support women in distress through meaningful quotes and posters, making them conscious of their rights and privileges.

Swami Vivekananda University has taken a significant initiative in spreading awareness among every category of individuals within and outside the campus, reaffirming its commitment towards a safe, respectful, and harassment-free environment.
