

## Report on Organize Inter/Intra Institutional B-Plan Competition, Reward Best Innovations

**Title of the Session:** "India Next Stimulus – A Civil Engineering Quiz: Engineering Your Path to Success"

**Organized By:** Institution's Innovation Council (IIC), Swami Vivekananda University, Kolkata

**Resource Persons:** Ms. Rini Bose, Territory Manager-Technical & Customer Solution, UltraTech cement Pvt. Ltd.

**Mode of Delivery:** Off-line

**No. of Participants:** 45

**Duration:** 16 hours

**Nationality:** Indian

**Date & Venue:** 15<sup>th</sup> – 16<sup>th</sup> May, 2026, Block 6, Swami Vivekananda University, Barrack pore, Kolkata, West Bengal

### Objectives:

- To create awareness among students about future opportunities in the field of Civil Engineering.
- To encourage innovation, technical knowledge, and problem-solving skills among participants.
- To motivate students to explore emerging technologies and industry trends in infrastructure and construction sectors.
- To provide a competitive platform for students to test their technical aptitude and engineering knowledge.
- To promote participation in academic and skill-based activities under the guidance of the Innovation Council and Institution's Innovation Council (IIC).

### Theme:

**"India Next Stimulus – A Civil Engineering Quiz: Engineering Your Path to Success"**

The event focused on future-ready careers, innovation, and technological advancement in Civil Engineering through an engaging quiz competition.

### Outcome:

- Students gained awareness about modern developments and career prospects in Civil Engineering.
- The quiz enhanced participants' analytical thinking, technical aptitude, and teamwork skills.
- The event encouraged students to stay updated with emerging engineering concepts and innovations.
- Participants developed confidence and enthusiasm toward academic competitions and professional growth.
- The program successfully promoted innovation-driven learning and active student engagement.

- A total of **20 entries** participated in the competition, reflecting strong student involvement and interest.
- **Five teams** were recognized with the **Best Team Award** for their outstanding performance and technical excellence.

### Session Highlights:

- The event was organized by the Civil Engineering Department in association with the Ministry of Education's Innovation Council and Institution's Innovation Council.
- The program titled "India Next Stimulus – A Civil Engineering Quiz" was successfully conducted on 15<sup>th</sup> & 16<sup>th</sup> May 2026.
- The quiz aimed to inspire students to build a future-proof career in Civil Engineering.
- **A total of 20 participants/entries took part in the competition with great enthusiasm.**
- Multiple quiz rounds were conducted, including aptitude, technical, and problem-solving segments.
- Students actively participated with a strong competitive spirit throughout the event.
- The session emphasized innovation, infrastructure development, and engineering excellence.
- **Five teams were awarded the Best Team Award for their exceptional performance in the competition.**
- Interactive activities and engaging questions created an energetic and knowledge-driven environment.
- The event concluded successfully with appreciation for all participants, winners, and organizers for their active involvement.

### General Participants Feedback:

- Participants described the session as highly motivating, informative, and beneficial for their professional growth.
- Many appreciated the speaker's practical insights and the use of real-world examples to explain complex concepts.
- Students shared that the interaction provided them with better clarity regarding career opportunities and future aspirations.
- The strong focus on core fundamentals, innovation, and problem-solving techniques was widely appreciated.
- The interactive and engaging format of the session encouraged active participation and critical thinking among students.
- Several attendees expressed increased interest in exploring emerging technologies, research, and advanced engineering domains.

### Recommendations:

- Incorporate sustainable practices in future Programs.
- Encourage collaborative initiatives among participants.
- Ensure continued engagement through follow-up workshops or sessions.

### Signature of the Convener with University Seal

**Convener:**  
Dr. Ranjan Kumar,  
Convener, IIC Cell  
Associate Professor & Head, Dept. of Mechanical Engineering,  
Swami Vivekananda University, Kolkata-700121.
