

NEWS LETTER

DEPARTMENT OF ELECTRICAL ENGINEERING

OBJECTIVE

To provide a strong foundation of knowledge, cultivate essential skills, and equip graduates to attain global standards of excellence in Electrical Engineering across education, industry, and research.

- Innovation
- Excellence
- Entrepreneurship

ABOUT THE DEPARTMENT

The Electrical Engineering program at Swami Vivekananda University is carefully structured to produce globally competent and industry-oriented professionals. With a balanced focus on academic rigor and real-world exposure, the curriculum integrates in-depth theoretical knowledge with practical training, enabling students to meet the demands of the ever-changing engineering landscape.

Students thrive in an engaging learning ecosystem supported by live projects, technical workshops, seminars, and case-based learning that encourage creativity and intellectual development. Robust Industry-Academia partnerships provide valuable hands-on exposure, helping learners build proficiency in the design, analysis, development, and upkeep of contemporary electrical systems and equipment. This well-rounded approach enhances technical expertise while nurturing leadership, adaptability, and critical thinking skills, empowering graduates to excel across diverse professional pathways on a global scale.

MISSION

Deliver high-quality Electrical Engineering education through outcome-oriented learning approaches to produce professionals ready for industry challenges. Encourage entrepreneurial thinking and industrial exposure to support sustainable development at both regional and national levels. Create centres of excellence that strengthen research activities through institutional initiatives and industry collaboration. Nurture capable Electrical Engineers by promoting innovation, research engagement, and a strong sense of social responsibility. Strive for distinction in technical education and research by fostering inclusive, ethical, flexible, and multidisciplinary learning environments.

VISSION

To cultivate skilled Electrical Engineers through outcome-oriented pedagogy and a strong emphasis on innovative research. To empower students to apply their knowledge and abilities effectively for societal advancement. To position the institute as a hub of excellence in technological education and research. To deliver equitable, inclusive, ethical, flexible, and multidisciplinary learning opportunities to emerging technologists. To equip graduates to responsibly address the evolving needs of society and technology.

Mr. Abhishek Dhar
Assistant Professor & Departmental
Coordinator Department of
Electrical Engineering

I am honoured to be part of a team of people who are committed, compassionate and team leaders, and keep SVU flag flying high.

Thank you for being part of the Department of Electrical Engineering at Swami Vivekananda University.

From the Desk of Departmental Coordinator

Welcome to the Department of Electrical Engineering at Swami Vivekananda University, Barrackpore, West Bengal, India. Our university is a dynamic institution where motivated students are trained to become responsible leaders and lifelong learners through high-quality engineering education.

Recognizing the growing demand for interdisciplinary learning and flexible curricula among students in India, SVU has restructured its academic programs and course delivery methods. The Electrical Engineering curriculum is thoughtfully designed to give students the freedom to choose their own career pathways. One of our key strengths is our highly qualified faculty, who actively engage in research, address scientific challenges, and share their valuable knowledge and experience with students

Student's Achievement

The Department of Electrical Engineering, Swami Vivekananda University, proudly congratulates our students on receiving the prestigious SVU Samman 2026 – Certificate of Appreciation. This recognition reflects their outstanding academic performance and active participation in extra-curricular activities. We applaud their dedication, perseverance, and commitment to excellence. We wish them continued success in all their future endeavours.

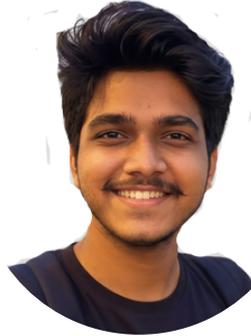

Proud Moment

Heartfelt Congratulations to our Diploma 3rd Year Students for Being Placed at Sanjay Electricals PVT.LTD.
