Message from the HOD

Quarter 1 kick-started with fresh enthusiasm as we welcomed new learners into the world of laboratory medicine. With a strong emphasis on laboratory familiarization, technical foundations, and disciplined skill development, the department continues to march toward excellence.

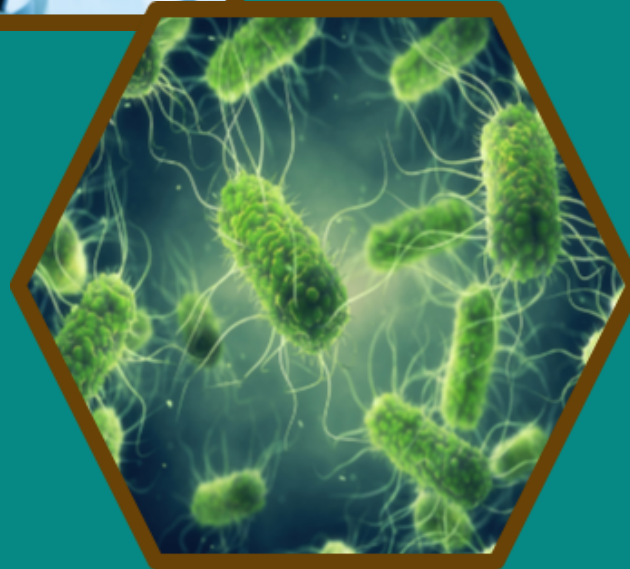

Department Overview

- Program: B.Sc. Medical Laboratory Technology
- Duration: 3.5 years + 6 months compulsory internship
- Total Students: 255 registered learners
- Faculty Strength: 10 members (4 Ph.D. holders — 40%)

Academic & Lab Engagement

- Comprehensive Lab Orientation for all semesters
- Demo sessions on Microscope handling, analyzer basics, and clinical sample workflows
- Development of Subject-wise SOP practical manuals by faculty-student teams

Workshops & Exposure

- Planning phase for Diagnostic lab visits and NABL exposure

Q1 Takeaway

“Building the base. Sharpening the lens. Strengthening the future.”
