**Dr. Subhabrata Mondal (01-09-2021 to Till Date)**

- A note on the solution of a simple hypersingular integral equation, **Mondal, S.** and Mandal, B. N., *Global journal of pure and applied mathematics*, 13(2017) 1959- 1964.

- Application of the fractional differential transform method to the first Kind Abel integral equation **Mondal, S**., and Mandal, B. N.,*Communications in Computer and Information Science* **834**(2018) 257- 267.

- Solution of Abel Integral equation using differential transform method, **Mondal, S.,** and Mandal, B. N., *Journal of Advances in Mathematics*, 14(2018) 7521-7532.

- Solution of singular integral equations of the first kind with Cauchy kernel, **Mondal,S.,** and Mandal, B.N., *Commu. Adv. Math. Sci*, 2(2019) 69-74.

- Application of differential transform method for solving some classes of singularintegral equations, **Mondal, S.,** and Mandal, B.N., *Pacific Journal of Applied Mathematics*, 9(2019) 263-270.

- Approximate Solution of Hypersingular Integral Equation by Using Differential Transform Method, **Mondal, S.,** and Mandal, B.N., *Advances in Intelligent Systems and Computing*, 1170(2021) 181-186.
